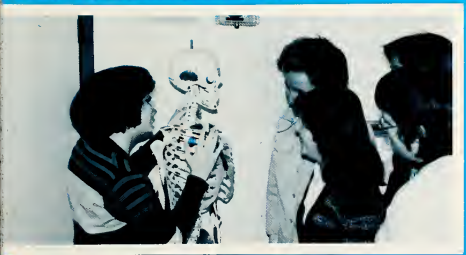
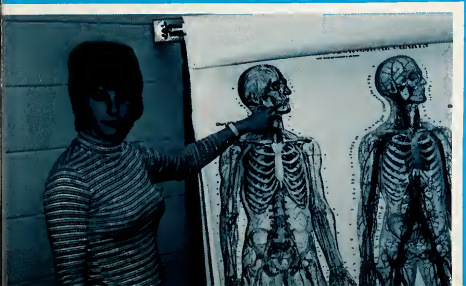
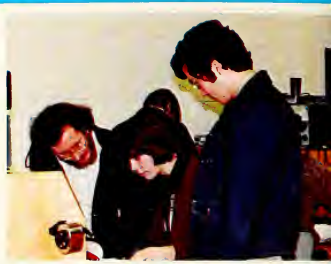
LOVE A NURSE
PRN







THAN

We, the Lanier Tech Annual Staff, dedicate this annual to an individual whose concern for the well-being of all of us has brightened our paths and lightened our loads. After so many years of dedicated service no tribute can be fine enough, and no acclamation sufficient to justly describe the gratification of those who have come to know and respect this instructor.

It is with deep pride for having known you and great sadness at our loss as you leave us for a well deserved retirement, that we dedicate this 1977 Progressus to you, Mrs. Virginia Jarrard.

THE 1977 LIFTBACK AND SPORT COUPE SR-5.

Two good lessons in economy.
Two beautiful new Toyotas which make economizing pretty easy. In 1977 the EPA estimates these two cars at xx MPG highway, xx city. Your actual mileage will vary depending on your driving habits and your car's condition and equipment. The Corolla Liftback SR-5 and Sport Coupe SR-5. You asked for it. You got it. Toyota.

Standard Equipment: 5-speed overdrive transmission, welded unitized body construction, AM/FM radio, MacPherson strut front suspension, tach and gauges, power front disc brakes and more.
